

Product Warranty

- The supplied acoustic products are covered by the manufacturer's warranty, and Évolution Acoustique guarantees their installation for a period of one year (12 months) from the date of completion of the work.
- Évolution Acoustique cannot be held responsible for damage to panels that have already been installed.
- This warranty does not apply in cases of misuse, negligence, improper disassembly, or repairs performed by installers not accredited by Évolution Acoustique.
- In the event of an early production shutdown or a manufacturing system defect, Évolution Acoustique will issue a notice to the client as soon as possible.
